

## 2006-140 Hironnelle Cocktail Table

A beautiful and exotic table with genuine sculptural integrity. The expansive top serves as a canvas for an animated display of fluttering swallows, while the impressively carved wood legs offer rhythmic repeating curves. This piece is ready to take center stage in any room whether the pattern is in Richmond or Aubergine. Shaped legs are from a 6" x 6" mahogany square.

Options:

**2006-140T** Top in #521 Richmond or #546 Aubergine only.

**2006-140B** Base in Standard, Specialty or Premium Specialty Finishes.
