

Atelier by Council
designed by *Sarah Gayle Carter*

2006-271 Shield Arm Chair
2006-271S Shield Side Chair

Elegant in both scale and line, this chair juxtaposes curves and straight lines in a classic shield form, and then adds nail head beading as a crowning touch. In damask or leather – this design is a true chameleon.

Options:

Standard, Specialty or Premium Specialty Finishes

Dimensions: 22" W 22.5" D 37" H
